# REPORT OF THE SUPERINTENDENT OF INSURANCE.

DEPARTMENT OF INSURANCE,  
Washington, D. C., August 24, 1921.

GENTLEMEN: I submit herewith the report of the Department of Insurance for the calendar year 1920.

The statistics in this report cover the period for the calendar year 1920, which includes the first full year of my administration, inasmuch as I took over this office in June, 1919.

The total of 318 companies and associations were licensed to write insurance in the District during the year.

The total premiums paid in the District of Columbia for the year 1920, amounted to \$14,223,097.85, and the total losses paid amounted to \$4,733,545.11. These have been divided as follows:

	Premiums received.	Losses paid.
Life.....	\$9,988,809.78	\$3,412,144.49
Fire and marine.....	2,623,730.72	698,389.78
Miscellaneous.....	1,610,557.35	623,010.84
Total.....	14,223,097.85	4,733,545.11

These total premiums, as compared with the year 1919, show an increase of \$2,342,678.60 the losses paid show an increase of \$11,959.59.

In the annual report of last year I carried a schedule showing the fire-insurance premiums received and losses paid from the establishment of this department. I deem such a schedule to be of particular interest and have, therefore, brought the same up to date, and have shown on the schedule the percentage of loss paid to premiums received for the period of 1902 to 1920, inclusive. That schedule follows:

	Premiums received.	Losses paid.	Percentage.
1902.....	\$691,568.49	\$107,198.99	15½
1903.....	755,906.30	146,195.20	19½
1904.....	792,405.16	232,659.03	29½
1905.....	808,452.20	139,080.40	17½
1906.....	788,186.74	142,379.20	19
1907.....	726,670.72	202,813.00	28
1908.....	695,788.73	211,637.98	30½

1914.....	675,479.39	549,657.01	81½
1915.....	798,620.32	252,708.53	31
1916.....	871,944.81	348,684.45	39
1917.....	988,277.03	150,902.44	15½
1918.....	1,208,030.03	231,140.60	19½
1919.....	1,553,605.85	561,784.62	36½
1920.....	1,860,474.07	424,310.19	22½
Grand total.....	16,531,024.14	5,186,012.94	31½

In commenting on the fire loss ratio for the District of Columbia it is shown that the  $22\frac{2}{3}$  per cent loss ratio to premiums shown in the above schedule for the year 1920 is about  $13\frac{3}{10}$  per cent lower than for the previous year.

The schedule above shows the 19-year ratio of the District of Columbia to be  $31\frac{3}{10}$  per cent or  $1\frac{1}{10}$  per cent less than the average for the 18-year ratio.

#### LICENSE FEES AND TAXES COLLECTED IN 1920.

There was collected during 1920 for license fees and miscellaneous revenues, including reinsurance, \$24,147.67, and for taxes \$156,827.92, making a total of \$180,975.59, as follows:

Pursuant to the requirements of section 651 of the Code of Laws for the District of Columbia, this department reported to your honorable board in March last the financial condition of all insurance companies and associations licensed to transact business in the District of Columbia as of December 31, 1920, by simply showing their assets, liabilities, and surplus.

The financial statements submitted by the companies have since been carefully audited and corrected and I now submit in statistical and detailed form, a report of the financial status and business of said companies for the calendar year 1920.

It may be interesting at this point to call attention to the great increase of insurance done in the District of Columbia within the past five years. This may be shown by taking the figures from the report of the superintendent of insurance for the year 1915, and comparing them with the figures of this report, namely, for the year 1920.

Collected for license fees and taxes for the year—

1920.....	\$180,975.59
1915.....	106,058.59

1920.....	14,223,097.85
1915.....	7,560,515.39
Increase.....	6,662,582.46

Assets of all insurance companies and associations transacting business in the District of Columbia for the year—

Increase.....	2,752,469,602.63

Liabilities of all insurance companies and associations transacting business in the District of Columbia for the year—

1920.....	7,120,736,038.90
1915.....	4,680,011,198.69
Increase.....	2,440,724,840.21

Surplus of all insurance companies and associations transacting business in the District of Columbia for the year—

1920 (including capital).....	1,352,475,642.73
1915 (including capital).....	1,040,730,880.31
Increase.....	311,744,762.42

Amount of insurance written in the District of Columbia for the year—

1920 (exclusive of casualty).....	2,130,545,783.75
1915 (exclusive of casualty).....	493,919,911.38
Increase.....	1,636,625,872.37

In the year 1915 there were licensed in the District of Columbia 254 insurance companies and associations; in the year 1920 there were licensed in the District of Columbia 318, an increase of 64 companies and associations within the last five years.

These figures will show the increased amount of insurance done in the District of Columbia, and consequently the increased amount of work required of the Insurance Department.

There have been no amendments or changes in the Code of Law in the District of Columbia relating to insurance since 1917. The insurance law of the District of Columbia is in many respects very deficient. The draft of the law which was prepared by a committee of the American Bar Association on Insurance, has been introduced

from year to year in Congress since 1915, and was known as the Sherman bill, but it has never gotten any further than the committee. It has been during this session again introduced by Senator Pomerene, of Ohio, and is known as the Pomerene bill, and is now in the hands of the Senate District Committee.

During the last session of Congress the marine insurance bill for the District of Columbia was introduced by Senator Jones, of Washington. In the House this bill was referred to the District Committee and in the Senate to the Commerce Committee. Both of these committees have made a favorable report upon this bill and it is thought by friends of the measure that it will become a law during the extra session.

It is to be hoped that this matter will receive the early attention of Congress, for the District of Columbia is very seriously in need of a more stringent insurance law.

Respectfully submitted.

LEWIS A. GRIFFITH,  
Superintendent.
